Re: Notice of Annexation of Property

To Whom It May Concern:

The purpose of this letter is to notify you that on November 16, 2009 the City Council of Aransas Pass approved Resolution 2009-624 - Adopting a three-year Municipal Annexation Plan. The Annexation Map can be viewed at City Hall or on the internet at [www.aransaspasstx.gov](http://www.aransaspasstx.gov). If you own property within the area shown in the Annexation Map then this shall serve as notice that the property is being considered for Annexation into the City of Aransas Pass.

Under state law, the City may annex the area after following certain procedures, including notice(s) and hearings, contained in Chapter 43 of the Texas Local Government Code. In the coming months the City will prepare several reports regarding current services provided and future services that are to be provided. The City will also notify the public in the future regarding the date, time, and location of two (2) public hearings.

If you have questions concerning the annexation process, we encourage you to contact David M. Underbrink, Sr., P.E. with Naismith Engineering, Inc. at 1 (800) 677 – 2831. If you no longer own property in the area, we would appreciate it if you would contact the above mentioned person so that we can provide this notice to the current owner.

Sincerely,

The City of Aransas Pass
