

CITY OF ARANSAS PASS

MEMORANDUM

Date: March 17, 2020

To: Residents of Aransas Pass

As concerns over COVID-19 continue to increase in our community, we will be temporarily suspending service disconnections in an effort to protect the health and welfare of the citizens of Aransas Pass. One of the most important safeguards for your community to prevent the spread of COVID-19 is hand washing. This step will ensure that all of our residents have access to water during this time to keep themselves and their families safe and healthy. For now, the suspension of disconnections for nonpayment of utility services will be reevaluated within 30 days and extended if necessary.

We will also not be applying late charges to account for nonpayment. If you have any questions or need additional information, please contact the Water Department at 361-758-5301 ext. 2100.

Gary Edwards, City Manager

Sandra Garcia, Director of Finance
